

PDI EMEA Ltd trading as Pluswipes Limited recognises that all businesses impact on the environment in a variety of different ways. As such we are committed to the continual improvement of our environmental performance in relation to our services, products and operations.

We have identified the following key environmental impacts associated with the production of our wet wipes, chemicals and associated products as follows:

- Production of plastic, laminate, paper and cardboard packaging waste
- Consumption of energy
- Production of wet/dry fabric waste
- Consumption of Water
- Business travel and fuel consumption

The company is committed to reducing these and other impacts and to the continual improvement of our environmental performance. To help achieve this, Pluswipes Limited is working towards Investors in the Environment Green accreditation. We are committed to working with our staff, customers, suppliers, investors, contractors, regulatory bodies and neighbours to achieve the following objectives.

Through monthly communication from senior management to all staff of actions and updates concerning our environmental policy/waste levels and a senior management biannual review of our EP and sustainability strategy.

- Our vision is to create a sustainable manufacturing facility in Corby, Northants, delivering biodegradable, compostable, recyclable products through sustainable processes adapting staff behaviour and company ethos to create this success.
- Increase cost-effectiveness by reducing our consumption of energy and raw materials through data measuring, monitoring and reporting.
- Reduce waste locally by creating projects to recycle and regenerate our waste and upcycling it into new raw materials where possible and to involve the wider environment by diverting waste and creating initiatives to local and national charitable organisations.
- Setting targets for measurable annual improvements.
- Make our progress available for independent assessment.
- Commitment to relevant environmental legislation - OFWAT EN13432. Water Supply Regulation 2016, BRC - ethical trading and sourcing accreditation.
- Introduction of sustainable manufacturing and products on our website and green activities.

It is the responsibility of all employees, visitors and contractors to fully support this policy through active participation and co-operation. The introduction and implementation of this policy is a commitment of Pluswipes Limited management and a shared responsibility with our employees. Our Pluswipes Environmental Champion has designated responsibility for day-to-day implementation of this policy.

The policy will be reviewed annually as part of the organisations overall environment management plan.
